USER PERSONA

ABOUT

Name: Akil Che Anand R D

Age: 19

Student: UG Student

Year: 2nd Year

GOALS

- Save time during lunch breaks and short intervals.
- Order food, snacks, drinks, groceries, and stationery through a single application.
- Choose the preferred canteen, cafe, or mart easily.
- Receive a unique order code for quick and convenient collection.
- Enjoy a smooth, convenient, and organized campus purchasing experience.

FRUSTRATIONS

- Long queues at canteens, cafes, and campus stores during lunch hours.
- Poor network connectivity causing delays or failures in digital payments.
- Wasting valuable break time waiting to place orders and collect products.
- Having to visit different outlets to purchase different products.
- Uncertainty about whether an order is ready for collection.
